SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months. I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health."

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

THE COMPELLING PERORATION TO MR. HUGHES' ACCEPTANCE SPEECH.

We live in a fateful hour. In a true sense, the contest for the preservation of the Nation is never ended. We must still be imbued with the spirit of heroic sacrifice which gave us our country and brought us safely through the days of Civil War. We renew our pledge to the ancient ideals of individual liberty, of opportunity denied to none because of race or creed, of unswerving loyalty. We have a vision of America prepared and secure; strong and just; equal to her task; an exemplar of the capacity and efficiency of a free people. I endorse the platform adopted by the Convention and accept its nomination.

NEED OF CONSTRUCTIVE LEGISLATION

Just before the European war broke out we had a million skilled mechanics out of work and nearly half a million railroad men were idle, together with nearly half a million freight cars. The railroads were suffering from lack of freight to carry to market, and industry was gradually becoming stagnant. In Louisiana two hundred thousand acres of sugar land were plowed up because of Democratic changes in the tariff law. It is generally conceded by all save the blind that the country was not progressing. Attempts were made to keep courage up by the predictions made by Secretaries McAdoo and Redfield and President Wilson of the great trade booms which were soon to appear but which failed to materialize until the outbreak of war on the continent.

INTERESTING FIGURES

Given Out By Republican Publicity Association Should Be Studied By Thinking Voters — "Hughes Will Not Be Minority President."

Washington, August 25—The Republican Publicity Association, through its President, Hon. Jonathan Bourne, Jr., today gave out the following statement at its Washington Headquarters:

"If the country votes at the presidential election this year as it voted at the Congressional election of 1914, Hughes will carry California, Colorado, Connecticut, Delaware, Idaho, Illinois, Iowa, Massachusetts, Michigan, Minnesota, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Dakota, Oregon, Pennsylvania, Rhode Island, South Dakota, Utah, Vermont, Washington, West Virginia, Wisconsin and Wyoming.

"These states have 286 votes in the electoral college, a majority of which is only 266.

"In each of these States, two years ago, the Republican Congressional ticket received a clear plurality of votes. In these States combined the Republican candidates for Congress received 4,075,157 votes, while the Democratic candidates for Congress received only 3,132,568 votes—the total Republican plurality being 942,589.

"In each of these States, in 1914, there was an organized Progressive campaign—except in Nevada, Utah and Wisconsin, although in Utah there was a Fusion ticket running in opposition to the Republicans. The total Progressive vote in these states was 746,341; and the combined Republican-Progressive plurality over the Democrats was 1,688,930.

"Two years ago there were five states—Indiana, Kansas, Maine, Nebraska, and Ohio—which are fairly to be classed as normally Republican out where the Democratic Congressional ticket received a plurality of votes ranging from a bare majority in Maine to an impressive 42,752 in Indiana. But the Progressive vote in each of these five states was far in excess of the difference between the Republican and Democratic totals, and ranged from 3,111 in Nebraska to 90,040 in Indiana.

In Kansas the Progressive vote in 1914 amounted to 74,441; in Ohio it was 47,981; and in Maine it was 17,985.

"These five states will cast 63 votes in the electoral college. How will they vote this year?

"Hopeful Democratic statisticians estimate the division of the former Progressive vote upon different proportions—in each instance, however, giving the long end of it to the Republicans and in no instance claiming that more than 30 per cent of the Bull Moose will support Wilson. Upon this extreme hypothesis, let us examine the vote of the five states where a Democratic plurality was found in the congressional elections of 1914.

"The Republican vote of Indiana in 1914 was 233,140, the Progressives casting 90,040 and the Democrats 275,892. Dividing the Bull Moose strength on the basis of seventy and thirty per cent, respectively, to the Republicans and the Democrats, the vote of Indiana this year should be: Republican, 296,162; Democratic, 302,904. The margin is too small for comfort on either side; and Indiana must remain as fighting territory until the votes are counted.

The Progressive—aided, it is said, by Democratic funds—are maintaining an organization in that state; but competent observers believe that from 85 to 90 per cent of the Moose will vote for Hughes and that the number who will support Wilson are negligible. Upon this basis, Indiana should for Hughes and Fairbanks by nearly 30,000.

"The seventy-thirty division applied to Kansas would give that state to the Republicans by the following figures: Republican, 240,215; Democratic, 218,162.

"In Maine the result would be: Republican, 72,888; Democratic, 66,971.

"In Nebraska the figures should show: Republican, 113,376; Democratic, 113,820. This is another hairline of demarcation—but there is no Bull Moose ticket in Nebraska this year; and while the contest will be a hard one, the indications are that Hughes will carry the state.

"The same division of the Progressive vote in Ohio would produce figures for 1916 in this wise: Republican, 611,039; Democratic, 498,653.

"It is, therefore, a fair assumption that, in addition to retaining the states which disclosed a clear Republican plurality in 1914—and which assures the Republican ticket will this year gain Kansas, Maine and Ohio without question and secure for Hughes and Fairbanks a total of 328 out of the 531 votes in the electoral college—with more than a fighting chance to add 23 votes of Indiana and Nebraska to that number, making 349, or a majority of 167.

"Hughes will not be a minority President.

"The figures upon which the foregoing is based are taken from the "World Almanac," and in detail they are as follows:

TOO DANGEROUS TO OVERLOOK

Maysville People Will Do Well to Heed the Warning.

To have good health, the digestion, heart, lungs and kidneys must work perfectly. When there is anything wrong with the digestion, heart or lungs, a very noticeable pain or distress gives prompt warning. Kidney trouble is more easily overlooked, however, and too often gains a long start. But kidney trouble does give early signs, and backache, headache, dizzy spells, rheumatic pains, too frequent, scanty or painful urination should not be neglected. When these warnings appear, use Doan's Kidney Pills, the reliable, successful, strongly-recommended kidney remedy. Assist the medicine by taking things easier, reducing the diet and the use of liquors. A severe attack of kidney disease may be avoided. Doan's Kidney Pills have won the grateful praise of Maysville people. Read this Maysville resident's endorsement.

W. F. Lynch, 127 W. Third St., Maysville, says: "My kidneys were weak and the passage of the kidney secretions were scanty and painful. Having used Doan's Kidney Pills before, I again got a box. They quickly restored my kidneys to a normal condition."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lynch had. Foster-Milburn Co., Props., Buffalo, N. Y.
